

HALL 7, stand N90

# FESPA DIGITAL EUROPE AMSTERDAM RAI / May 12-14

CREATIVITY  
WITHOUT  
LIMITS

MANTA  
WHITE

Grapo Technologies is proud to invite you to be our guest at FESPA Digital Europe and the world premier of the Manta WHITE printer. With all the functionality of our original Manta including the TWIN ZONE and Pause features, the affordable Manta WHITE truly offers creativity without limits.

Our stand will also play host to several informative demonstrations from Grapo's founder Radim Kralik, a few of our end users and Dr. Nicholas Hellmuth from FLAAR. Each will help you better understand how to use Grapo printers on difficult substrates, giving you the edge against your competition. As print shop owners ourselves, we know the challenges you face and hope that at FESPA, we can show you how best to overcome them.

WE LOOK FORWARD TO SEEING YOU!

## SCHEDULE OF EVENTS

Tuesday 11:00 – 12:00

**INTRODUCTION OF MANTA WHITE.** Grapo Technologies Founder and CEO Radim Kralik will present our newest printer, the Manta WHITE. Learn how our innovative system removes many of the common problems associated with white ink, while maximizing your opportunities to generate new revenue.

Tuesday 14:00 – 14:30

**HIGH SPEED PRINTING ON CARDBOARD.** Working with our high performance Shark platform, Mr. Kralik will demonstrate how to achieve uncommon results on a difficult yet highly practical application.

Wednesday 11:00 – 11:30

**END USER PRESENTATION.** Long-time Grapo user Graf Color srl from Italy will demonstrate how it uses the Manta to create both POP displays on rigid substrates as well as cardboard packaging. Graf Color's owner/operator will remain on our stand until 15:00 to answer any questions you might have about Grapo and his experiences.

Wednesday 16:30 – 17:00

**DR. NICHOLAS HELLMUTH.** Grapo is pleased to welcome the founder of FLAAR and industry expert Dr. Nicholas Hellmuth to our stand to discuss practical applications for UV technology in use with glass and acrylic mirrors.

Wednesday 17:00 – 18:00

**COCKTAIL RECEPTION.** Please stay with us following Dr. Hellmuth's presentation for a cocktail and the opportunity to query one of the industry's most experienced advisors.

Thursday 11:00 – 11:30

**END USER PRESENTATION.** Working with the Octopus II, Beme Diseno from Spain has been able to separate itself from their competitors by offering creative solutions on foils and films. Join us as owner/operators Victor Bouzas and Eduardo Calvo demonstrate the versatility of our Octopus platform in use with flexible materials.
